

UW HELP Outreach Presentation Menu

Middle School

- **Overview of the UW System:** Students will be introduced to the University of Wisconsin System. Students will learn how to distinguish the difference between a two-year UW campus and a four-year UW campus and how to best prepare for college in the UW System.
- **UW Journey:** Using the UW Journey app, students will explore UW System campuses, compare campuses, and find their best fit in the University of Wisconsin System.

High School

- **Overview of the UW System:** Students will be introduced to the University of Wisconsin System. Students will learn how to distinguish the difference between a two-year UW campus and a four-year UW campus and how to best prepare for college in the UW System.
- **UW Journey:** Using the UW Journey mobile app, students will explore UW System campuses, compare campuses, and find their best fit in the University of Wisconsin System.
- **UW Application Demonstration (grade 11 & 12):** Students will be given a live demonstration and walkthrough of the UW System Online Application. Students will learn how to apply as a new college freshman student.
- **Application Completion Event (grade 12):** Students will work on and complete their application(s) for admission to a UW System campus using the UW System Online Application. Support will be provided by the UW HELP team.
