

# UNIVERSITY OF WISCONSIN PLATTEVILLE 2025–26

Fall 2025 is off to a great start at the University of Wisconsin-Platteville, as we welcome new and returning students to our campuses at Platteville and Baraboo Sauk County. Here, we combine a hardworking spirit with forward-thinking innovation—grounded, hands-on, and community-driven. Through academic excellence and cutting-edge skills, we prepare for the future together, always ready to roll up our sleeves and get things done.

## Academic programs

[www.uwplatt.edu/academics](http://www.uwplatt.edu/academics)

UW-Platteville was built on education and engineering programs, and we continue to have a strong foundation in STEM. We offer over 200+ academic programs and continue to be one of the top engineering schools in Wisconsin.

### Explore majors in top fields

- Agricultural and Environmental Sciences
- Business, Management and Marketing
- Computer Sciences and Mathematics
- Education
- Engineering
- Health and Life Sciences
- Law Enforcement
- Social Sciences and Humanities
- Visual and Performing Arts

## Baraboo Sauk County campus

### Associate degrees

- Associate of Arts and Sciences
- Associate of Science in Business Administration

### Bachelor degree

- Bachelor of Business Administration in Management

## More than memorization

Here, learning doesn't stop at the lecture. From day one, students will put their knowledge to work in labs, fieldwork, service learning, and undergraduate research.

Our campus is home to incredible facilities that let students dig into their passions from cutting-edge engineering labs and our Huff Family Innovation Center maker space in Sesquicentennial Hall, the 430-acre Pioneer Farm, and the Forensic Investigation Crime Scene House.

**180**  
clubs and  
organizations

**86%**  
of students complete  
internships or similar  
experiences

**1,747**  
events hosted  
on campus

## Admission

[www.uwplatt.edu/how-apply](http://www.uwplatt.edu/how-apply)

At the UW-Platteville campuses, we're looking for determined individuals who want to achieve excellence, create opportunities, and empower themselves, their communities, and the world.

### Comprehensive application review

While academic potential is a part of what makes a great Pioneer, we also take into account non-academic factors, such as activities, work experiences, and

volunteering; passion for continuing education; and the goals and motivations presented in the essay portion of the application.

Admission to the Baraboo Sauk County campus primarily focuses on the completion of the 17 college preparatory units. Learn more about admission for UW-Platteville Baraboo Sauk County by visiting their website.

**Smart. Affordable.**

**UW-Platteville.**

[www.uwplatt.edu/paying-college](http://www.uwplatt.edu/paying-college)

UW-Platteville has received national recognition for the value of our degrees, and we have many options to make education even more affordable. In addition to federal aid, UW-Platteville offers over \$6 million in merit and need-based scholarships so students can focus on their studies without burden.

### **Platteville Promise**

Guarantees that the university will pay for any gap between an eligible first-year student's tuition and fees and their scholarships/grants.
