Individual Campus Visits

Students can schedule a personalized visit that includes a campus tour and an admissions overview—we also offer academic visits focused on a specific career cluster. Visits are available most weekdays, with morning and afternoon options.

Group & School Visits

We offer custom visit experiences for high school and college access groups. Our team will work with you to coordinate a visit that fits your group's schedule and interests. Reserve your date by emailing groupvisits@uwstout.edu.

Large Visit Days & Admitted Student Events

UW-Stout hosts a variety of large-scale preview events and admitted student programs throughout the year—great opportunities for students to explore campus, connect with faculty, and learn more about the Stout experience.

Our Polytechnic Advantage

At UW-Stout, students don't just learn—they do. As Wisconsin's only polytechnic university, we blend applied learning, career-focused academics, and industry collaboration to give students a true competitive edge.

- **Laptop and degree-relevant software** included in tuition
- **3x as many labs** and studios as traditional classrooms
- **990 internships** completed annually across the U.S.
- **99% of graduates employed** or continuing education within six months
- **125 Fortune 500 employers** hired Stout grads in the past five years
- **Textbook rental** included in tuition—saving \$300–\$500 per semester
- **750+ industry and community partners** help shape programs and provide opportunities

Admission Information

Requirements for Class of 2026

- No application fee
- ACT/SAT score optional
- No essay

Credit Requirements:

4 English, 3 Math, 3 Social Science, 3 Science, and 4 Elective

Math Requirements:

Geometry, Algebra I and Algebra II
A fourth year is strongly encouraged for STEM majors; statistics can count as third year of math for admission.

World Language:

Not required

Program Requirements:

All majors offer direct entry for first-year students. B.F.A. art students are the exception: they begin as Pre-B.F.A. and must complete a successful portfolio review to enter the major.

How to Apply

UW-Stout reviews applications using a holistic approach.

Students must submit the following:

- UW Application **OR** Common App
- High School Transcript
